Why Homebound Service

This program lets us fulfill our mission to serve the community better by offering services to residents who, for various reasons, are unable to visit the library.

Do I need to be an Earlham resident to receive Homebound Delivery Services?

Yes. Due to limited resources, we cannot offer homebound services to anyone who lives outside of the Earlham city limits.

| New Fiction | New Non Fiction | Mysteries |

How Do I Know I Will Get Materials That I Enjoy?

Before bringing materials to your home a member of the library staff will call you to go over your application form. We will discuss areas of interest which will help us better understand what types of authors, and books you prefer or any other information that may be helpful.

When Will You Be Visiting?

Once we have established what you would like we will schedule a time to come to your home to drop off the materials on the first and/or third Friday morning of the month. Please call the Library before 5:00p.m on the Wednesday before to let the library know what new materials you would like.

How Long May I Borrow the Items I Take Out?

The loan period for books through the program is for 4 weeks. You can renew materials if no other patrons are waiting for them.

Call us today at 515-758-2121 if you or someone you know would like us to bring the library home.
